LEATHER GUIDE

TYPES AND FINISHES AT A GLANCE

MN LEGACY
EXPORTS

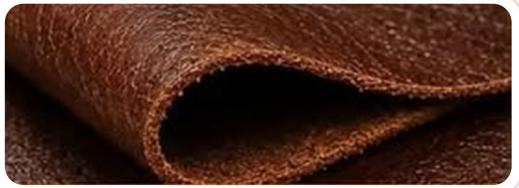

Full-grain leather

PREMIUM · AGES BEAUTIFULLY

The strongest and most natural leather, with the original grain left intact. Very durable, and it develops a rich patina with use.

BEST FOR

Backpacks, briefcases and messenger bags.

Top-grain leather

REFINED · SMOOTH FINISH

Refined for a smooth, even finish while staying very durable. Slightly thinner and softer than full-grain.

BEST FOR

Handbags, totes and slim briefcases.

Genuine leather

AFFORDABLE · SOFTER

A more affordable real leather. Softer and less durable than full-grain and top-grain, but still a good everyday material.

BEST FOR

Everyday and budget-friendly styles.

Corrected-grain leather

EMBOSSED · CONSISTENT LOOK

Improved with embossing for a consistent, even look across the whole bag. Hides natural marks and gives a neat finish.

BEST FOR

Work totes and commuter bags.

Suede leather

SOFT · TEXTURED

A soft, velvety surface with a classic look. Needs gentle care and should be kept away from water.

BEST FOR

Soft hobos and casual styles.

CARE TIPS

Wipe with a soft dry cloth. Keep away from long direct sun, heat and water. Condition real leather a few times a year and stuff bags with paper when storing.

Leather type, finish and colour can be chosen for most designs on request. Final options are confirmed with samples.
